Voilà. Kevin feel free to add. We focused our bullets on economic impacts and continued threats of blockage directly linked to the Jan 28th protests.

We have been working on that for couple of days doing a continuous assessment. Jody is leading the work with the security agencies .

Hi Nathalie,

Can PCO please work with relevant agencies and departments to prepare a list of the reasons the emergencies act may need to be kept in place beyond Monday?

We would like this this afternoon to be able to inform decisions and ongoing conversations.

Thank you,

Sam
